PROFESSIONAL SUMMARY

Content and growth leader with 6+ years in EdTech, creator brands and digital media. I build and scale YouTube channels, lead creative teams of 11–20 editors and designers, and run content end to end: strategy, scripting, editing, thumbnails, publishing and analytics. Channels I've worked on have 100M+ organic views. Founder of Skillverse; I built its product EditSutra, an AI-powered Premiere Pro extension, using Claude Code.

KEY RESULTS

- 604,601 views in 28 days on SciAstra's ISI–CMI and Olympiads channel (6 Oct – 2 Nov 2026): views up 277%, watch time up 94%, +564 subscribers
- 7 videos past 1M views: top long video 6.5M, top Short 5.3M; a 13-second Short reached 360K views in its first week
- 541K of a channel's 572K monthly views came from Shorts I produced; AI Shorts averaged 100K+ views and CTR reached 7–10%
- Served 11–20 independent clients alongside full-time work; content-led campaigns contributed to about ₹15 lakh in course sales
- Worked with Avadh Ojha, Anushka Chaudhary, Ashish Arora, Aman Malik, Vivek Dwivedi and Balraj Malik
