SUMMARY

Content lead and YouTube growth strategist with 6 years in EdTech, personal brands and digital media. I own the full content pipeline, from idea, script and shoot to edit, packaging, publishing and analytics, and I lead teams of editors and designers. Channels I've worked on have 100M+ organic views. I use AI video and automation workflows daily and build AI editing tools (EditSutra).

KEY RESULTS

- **459,732 views in 28 days** on SciAstra's ISI–CMI channel (Oct 2026), up 165%; watch time 1.6K hours, up 54%
- **541K of 572K monthly channel views** came from Shorts I produced (SciAstra, Sept 2025)
- **7 videos past 1M views**; top long video 6.5M, top Short 5.3M (YouTube Studio)
- Contributed to a digital education business with **~₹15 lakh** in recorded sales revenue

EXPERIENCE

Skillverse · Founder — Present

- Content production for creators and brands: research, scripting, editing, thumbnails, SEO and posting

SciAstra · AI Video Producer / Content Lead / Senior Social Media Manager — Nov 2023 – Nov 2026

- Owned strategy, production and performance for SciAstra's YouTube channels
- Produced and managed **300+ long videos and Shorts** in five months of documented reporting
- Turned declining channels into growth by raising CTR (+0.5% month on month), average view duration and posting consistency
- Grew SciAstra English past **25K subscribers** and the college channel past **9K**
- Built a Shorts-to-long-video funnel; AI Shorts averaged **100K+ views** each
- Planned time-sensitive content (Teachers' Day, IISER updates, internships) that reached **7–10% CTR**
- Led and trained editors and designers on high-CTR thumbnails; ran shoots, scripts, edits and posting schedules
- Managed creators in India, the UK and Germany; wrote monthly performance reports (views, CTR, AVD, subscribers) and team SOPs

Dr. Rajeev Ranjan · Content Producer and Growth Manager — Before Nov 2023
